

2020 – the first 6 months in numbers

Whether it is helping test takers stay prepared during these unusual and difficult times or putting in place extra health and safety measures to ensure test centers can get back up and running to meet demand, PTE is the test that is ready when you are.

Helping test takers:

We gave out **27,000** free Scored Practice Tests to test takers while testing was on hold due to COVID-19

more than **30**

We ran more than **30** webinars for test takers across the globe in locations including the UK, China, India, Turkey, Philippines and Vietnam, with over **6,500** attendees

PTE has been taken by all nationalities in the world since we launched it in 2009

UKVI:

92 locations have been approved worldwide including China, India and the UK, to deliver PTE Academic and PTE Home for UK Visa & Immigration (UKVI) purposes

100+

100+ more UKVI locations are set to be approved over the coming months

10

PTE UKVI tests have been taken in **10** countries

The first bookings for both PTE Academic and PTE Home UKVI were made by test takers in China

Test center re-openings and expansion:

Test centers re-opened after lockdown in more than **40** countries – including **18** locations in China, **24** locations in India and **26** locations in Australia

Test centers opened in new markets – Jamaica, Belarus and Macedonia

43 new test centers across the globe

New Universities:

Over **260** new recognizing institutions
